NOTIFICATION

In order to promote Ease of Doing Business in west Bengal, and in compliance to the requirement of publishing the list of 3rd party certification agencies / individuals for the purpose of fostering the building plan sanctioning activities related to construction of buildings / structures within Industrial Growth Centres/Parks of WBIIDC the Corporation hereby outlines the details as follows:

The Kolkata Municipal Corporation has already published a detailed inventory of the empaneled LBS, Geo Technical Engineer, Structural Engineer and Structural Reviewer along with name, address, contact number, license number and its date of expiry at their website pages having link <https://www.kmcgov.in/KMCPortal/jsp/KMCPortalBuildingLBSDetails.jsp> and its succeeding for different classes and type of Engineering personnel.

The UD & MA Department is continuing with the process of empanelment of various categories of Engineers throughout the State of West Bengal for serving under various municipalities. So far around 1275 number of such Engineers of different categories have been empaneled by the UD & MA Department and as learnt, the inventory of such Engineers will be available with the website of UD & MA Department shortly.

It is thus it is notified that both the empaneled Engineers of UD & MA Department and the KMC website notified empaneled technical personnel (Engineers) possessing valid license, will be considered as the eligible empanelled LBS, Geotechnical Engineers, Structural Engineers and Structural Reviewers for WBIIDC in respect of certifying the buildings & structures for their safety, stability, conformity of Specifications of Standard code of practices and fulfillment of functional requirements.

These Engineers will also supervise the construction work for the sanctioned building plan with WBIIDC Industrial Growth Centres pertaining to their respective field of activity and certify the construction work regarding compliance of drawings and specifications.

Also person registered as an Architect by the Council of Architecture under the Architects Act, 1972 may be considered to be the eligible person to perform as Architect in building planning and supervision process of Industrial buildings and relevant structures for WBIIDC.
